SCOPE OF WORK:

- Remove & dispose of existing window & trim
- Supply & install specified window
- Insulate interior & flash tape exterior window flange
- Provide & install primed colonial interior trim
- Provide & install composite window trim & sill
- Clean job site
- Painting & painting prep work NOT included
- Interior painting & painting prep work is unit owner responsibility
- Exterior painting will be done by Association

IMPORTANT:

- ★ All window replacements will need written approval of the Association, i.e., approval of the proposed contract.
- ★ Unit owners will contract and coordinate directly with Contractor.
- ★ Unit owners must forward a copy of the signed contract to the Association.
- ★ Association will reimburse unit owner 1/3 of window price upon verification of completion of work and Contractor payment in full.

To order replacement windows, please contact the Association's Administrator to get approval and arrange for contact with our contractor, Brian Lambert.
